Principal's Message

*C*hildhood is the most important part of a human's life. It is the time when one's future can be shaped. It is well said that morning shows the day. If we start well in the morning, then our day surely becomes illuminated. Likewise if a child is cared well from the very beginning, his future would surely be bright. In this competitive era parents have become more alert and look for a better place for their children's bright future.

We at Oxbridge School, Mander, are imparting a liberal broad-based and all-round education to students in order to turn out young men and women with qualities of leadership, sense of responsibility, initiative and self reliance and prepare them to enter the world of competition as well adjusted, balanced and integrated personalities. We are making endeavour to impart education enriched with social and spiritual values supported by ethical and humanitarian teachings. Every effort is made to inculcate in the students, the habits of self-help, self-discipline, moral values, hard work and building up good character.

Oxbridge school aims at making its own contribution towards a radical transformation of present day social conditions. In this way the principles of social justice, equality of opportunity, genuine freedom and respect for religious and moral values enshrined in the possibility of living a fully human existence may be opened to all.

Welcome to Oxbridge School

Oxbridge School continues to uphold traditional values while adopting contemporary infrastructure and pedagogies. Individuals having diverse background, carrying unique steaks of values, traditions and cultures enter the portals of a learning community. At Oxbridge School, unrelenting effort goes in metamorphosing the uncut diamonds into finer Oxbridge School gems.

Oxbridge School is an amalgamation of competent teachers, state of art, infrastructure, an idyllic setting, pollution free environment and CBSE curriculum as some of it's strengths.

Education is not learning by rote and then repeating in the examination. Our approach is student centered and goes beyond text books, class rooms and boundaries. Students develop practical skills, enabling them to apply their learning to unfamiliar situations and think critically about different issue. These prepare them for a lifelong. Oxbridge School nourishes, nurtures and binds our huge families by the tenacious threads of values and ethos.

Our dedicated staff follow the motto of explore, research and achieve in their quest for excellence. It is because of their selfless and relentless efforts that the school has reached majestic heights. Oxbridge School teaches their students that failure is only the first step to success and they must stand up each time they fall to rise like the phoenix from the ashes of what was yesterday and to soar with wings widespread into the opportunities of tomorrow.

We are very grateful to the parents for their sincere involvement in the school. Without their single-minded co-operation between the school and home we can't offer the holistic education towards which we are striving.

THE SCHOOL

Oxbridge School Mander was established in 2006. The School is a Co-educational English Medium School affiliated to Central Board of Secondary Education, Delhi, to cater the educational needs of rural children. The School is situated at Ranchi-Lohardaga Main Road, Mander.

The School building is a magnificent one, free from dust and din, absolutely pollution free and safe for the children with adequate latest academic technological facilities.

OXBRIDGE SCHOOL WHY ?

First and foremost, this school is committed to the pursuit of academic excellence and the development of an integrated personality in its students. We are going to achieve all we promise through the process of Achievement Motivation.

Aims & Objects

Our aim is to educate the children of rural areas who can compete with the students of urban areas.

Oxbridge School provides a congenial environment for all round development of the whole personality and its integration with the society. Positive ideas are inculcated in students with regard to personal hygiene, neatness of uniform, cleanliness of surrounding, graceful manners, obedience and discipline. To achieve high academic standards, personal attention is given to every child.

Highly motivated and dedicated team of teachers play the role of a model for children.

Learning is a joy here as teachers make their lessons very interesting by following various methods of teaching viz. Demonstration, Experimentation, Project work, Home assignment, Play way, Structure Method etc.

The aim of Oxbridge School is to inculcate in the students a thirst for knowledge, devotion towards duty, honesty and patriotic fervour besides humanism.
